

Our business **labels** the country of origin of seafood so you know where your seafood comes from!

You'll notice
our menus now list
A, I or M next to seafood items:

(A) is for Australian origin

(I) is for Imported origin and

(M) is for Mixed origin

Menus may also give more specific origin information.
Ask our staff if you are unsure.

Learn more about the new labelling laws starting
on 1 July 2026 at **business.gov.au/seafoodlabels**
