## Sample application form

# Dealership and Repairer Initiative for Vehicle Electrification Nationally (DRIVEN) Program

## DRIVEN Charger Grants Stream

This document shows the questions included in the online application form for this grant opportunity. It will help you prepare your responses and the mandatory attachments you need before you apply online.

## Instructions

---

The online form captures the information required by the department to assess and manage your application for services and funding.

The first page of the application page contains the following instructions.

### Internet browsers supported by the portal

We recommend that you use the following browsers for optimum functionality:

- On Windows: The latest versions of Mozilla Firefox, Google Chrome and Microsoft Edge
- On Mac: The latest versions of Safari and Google Chrome

### Selecting a program

On the following page you must enter your details and then select the program you are applying for.

### Are you eligible to apply?

Before you start your application, you must answer some questions to self-assess whether you are eligible to apply.

### Completing your application

The application consists of separate pages, shown in a navigation menu on the left hand side of the portal page. You can navigate between pages using the menu or the buttons at the bottom of each page.

A warning message may appear if you have not completed all of the mandatory questions or if there is an issue with information you have entered. If a question is not mandatory it will be clearly marked – Optional.

### Saving your responses

Once you start your application, you can save your changes at any time by using the Save button.

**To prevent you losing your work you should save often. The portal will time out after 30 minutes if you do not save. Typing or moving your mouse does not reset the time out.**

You must use the Save and Continue button to validate the information on each page. A tick indicates a validated page.

You can modify saved responses up until you submit your application.

## Participants

Once you start your application, you may invite others to assist, via the application summary page. To do this:

- select the Application summary link at the top of the page
- select the Participants button
- enter the details.

An email will be sent to the participant inviting them to access the application.

## **Saving with multiple participants**

If more than one participant is working on your application at the same time you cannot save simultaneously. You should coordinate your entries to prevent losing your work.

## **Submitting your application**

You must complete every page of the application before you can submit.

You must also read and agree to the declaration which advises you of your responsibilities.

Check all your answers before you submit your application. After you submit, it will no longer be editable.

## **Getting help**

If you require further assistance completing your application, [contact us](#) by email or web chat or on 13 28 46.

## A. Program selection

---

Before you start your application, we need to first identify what type of entity is applying.

*Some programs we offer allow entities without an ABN to apply. The form is designed to accommodate these entities. However for this grant opportunity, an ABN is mandatory. If you do not have an ABN this grant opportunity will not appear in the program selection at the bottom of the first page and you will not be able to continue.*

If you are a trustee applying on behalf of a trust we will need details of both the trust and trustee.

Before you start you should have the following details ready:

- Australian Business Number (ABN)
- Australian financial institution details

### A.1. Program selection

You must select from a drop-down menu the program that you are applying for. If you have been provided with an Invitation code, you will be able to enter it here which will select the program for you.

Field 1 select – DRIVEN Charger Grants Stream

Field 2 select - DRIVEN Charger Grants Stream

*When you have selected the program, the following text will appear.*

This grant opportunity will run over 4 years from 2025-26 to 2028-29.

The DRIVEN Charger Grants Stream makes \$20 million in grant funding available in co-funding for the preparation, construction and installation of new, public, fast EV charging stations at automotive dealership and EV repairer premises in metro, regional and journey enablement areas as identified in the [EVCI Mapping Tool](#).

The objectives of the DRIVEN program are to:

- support automotive businesses selling passenger and light commercial vehicles and their role in decarbonising the automotive sector through:
  - selling and repairing a higher proportion of EVs in response to the *New Vehicle Efficiency Standard Act 2024 (Cth)*
  - increasing the scale and visibility of EV charging units throughout Australia
  - enhancing staff and customer awareness and knowledge of EVs and charging technologies, to support uptake of EVs across Australia.
- support the automotive sector by:
  - distributing appropriate funding to as many eligible businesses as possible
  - supporting the timely deployment of charging solutions to meet the immediate needs of the sector.

The intended outcomes of the program are:

DRIVEN Charger Grants Stream application requirements

- a supported Australian automotive sector as it transitions to selling and repairing more EVs
- increased uptake of EVs, by providing more EV charging stations Australia wide
- reduced transport emissions to support achievement of Australia's economy-wide net zero emissions target by 2050.

The objectives of the DRIVEN Charger Grant Stream are to:

- deliver charging stations at automotive dealership and EV repairer premises
- encourage installation of charging stations in regional areas of Australia
- support automotive dealerships and EV repairers looking to host charging stations
- facilitate partnerships between Australian automotive dealerships or EV repairers and EV charging businesses (e.g. Charge Point Operators).

You should read the [grant opportunity guidelines](#) and [sample grant agreements](#) before filling out this application. We recommend you keep the guidelines open as you are completing your application so you can refer to them when providing your responses.

You may submit your application at any time up until 5:00PM on the date that applications close. Please take account of time zone differences when submitting your application.

*To prevent you losing your work you should save often. The portal will time out after 30 minutes if you do not save. Typing or moving your mouse does not reset the time out.*

*If more than one participant is working on your application at the same time you cannot save simultaneously. You should coordinate your entries to prevent losing your work.*

## B. Eligibility

---

We will ask you the following questions to establish your eligibility for the DRIVEN Charger Grants Stream grant opportunity.

Are you an entity incorporated in Australia?

*You must answer yes to proceed to next question.*

Will your project support preparation, construction and installation of charging stations at automotive dealership and EV repairer premises in metro, regional and journey enablement areas as identified in the [EVCI Mapping Tool](#)?

*You must answer yes to proceed to next question.*

Will the proposed EV charging infrastructure be installed at an eligible location as defined in section 5.2 of the grant opportunity guidelines?

*You must answer yes to proceed to next question.*

Will your project meet the [Minimum Operating Standards \(MoS\) for government-funded charging stations](#) and minimum project delivery requirements set out in Appendix C of the grant opportunity guidelines?

*You must answer yes to proceed to next question.*

Can you provide all mandatory attachments as outlined in section 7.1 of the grant opportunity guidelines?

*You must answer yes to proceed to next question.*

Will your project include a minimum of 25 charging bays?

*You must answer yes to proceed to next question. Refer to the glossary of the grant opportunity guidelines.*

Will each charging station(s) include at least one Combined Charging System (CCS2) plug for each charging bay?

*You must answer yes to proceed to next question.*

## C. Applicant address

---

### C.1. Applicant street address

You must provide your street address.

*When you start typing the address in the field you can select the correct one from the drop down list that appears. If it is not there you can enter manually.*

### C.2. Applicant postal address

You must provide your postal address.

*When you start typing the address in the field you can select the correct one from the drop down list that appears. If it is not there you can enter manually.*

## D. Key contacts

---

You must provide the details of a primary contact for your application.

The primary contact is the person authorised to act on behalf of the applicant and we send all email correspondence to this person. If you are not the primary contact, we will send an email to this person to invite them to register as a participant in the application. It is important that they register, or our emails will not be received. We recommend you let them know this.

If these details change, inform us as soon as possible so emails can be redirected.

*If this application is successful, the primary contact will also need to nominate an authorised signatory to accept an agreement with the Commonwealth. The primary contact will not be able to accept an agreement unless they invite themselves to be the authorised signatory as well.*

### **Primary contact**

## E. About your organisation

---

*We collect the following data from all applicants. We use this data to better understand your organisation and to help us develop better policies and programs.*

### E.1. Latest financial year figures

*Values must be that of the entity applying (the ‘applicant’), regardless of whether the entity belongs to a consolidated group for tax purposes.*

*These fields are mandatory and entering \$0 is acceptable if applicable for your organisation.*

*All values must be whole numbers. For example:*

*6.5 months should be presented as 7 months*

*\$2 million should be presented as \$2,000,000.*

Has your organisation existed for a complete financial year?

If yes, what was the latest financial year completed?

If no, enter the number of months completed in the financial year to date.

Provide the following figures for the financial year you have entered above.

Sales revenue (turnover)

*Total revenue from the sale of goods and services, as reported in your organisation’s Business Activity Statement (BAS).*

Export revenue

*Total revenue from export sales, as reported in your organisation’s Business Activity Statement (BAS).*

R&D expenditure

*Expenditure on research and development, i.e. creative work undertaken on a systematic basis in order to increase the stock of knowledge, including knowledge of humankind, culture and society, and the use of this stock of knowledge to devise new applications.*

Taxable income

*Taxable income or loss as per your organisation’s income tax return form.*

Number of employees including working proprietors and salaried directors (headcount)

*Number of individuals who are entitled to paid leave (sick and holiday), or generate income from managing your organisation. This should include working proprietors and salaried directors.*

Number of independent contractors (headcount)

*Number of individuals engaged by your organisation under a commercial contract (rather than an employment contract) to provide employee-like services on site.*

## E.2. ANZSIC code

Provide the Australian and New Zealand Standard Industrial Classification ([ANZSIC](#)) details for your organisation from a drop-down menu:

your organisation's main revenue earning ANZSIC division.

your organisation's main revenue earning ANZSIC class.

## E.3. Indigenous organisations

Is your organisation Indigenous owned?

*An organisation is considered Indigenous owned where at least 51% of the organisation's members or proprietors are Indigenous.*

Is your organisation Indigenous controlled?

*An organisation is considered Indigenous controlled where at least 51% of the organisation's board or management committee is Indigenous.*

## F. Project information

---

On this page you must provide the detailed information about your proposed project.

*If your application is successful, we will publish some grant details on [GrantConnect](#) and other government publications. Published details include:*

*name of the grant recipient*

*a project title*

*a brief project description and its intended outcome*

*amount of grant funding awarded.*

### F.1. Project title and description

Provide a project title.

*Your response is limited to 75 characters including spaces and does not support formatting.*

Provide a brief project description for publication.

*Your response is limited to 750 characters including spaces and does not support formatting.*

*Ensure your project description focuses on your project's key activities and outcomes.*

*Outline what it is you are going to do and how these activities will meet the objectives and outcomes of the DRIVEN program and DRIVEN Charger Grants Stream.*

### F.2. Detailed project description and key activities

*This information will be included in your grant agreement if your application is successful.*

Provide a detailed description of your project and key activities.

*Your response is limited to 5000 characters including spaces and does not support formatting.*

*Describe in detail what your project involves. What activities are involved and how are you going to implement them?*

*You must also attach a project plan later in your application. Refer to the grant opportunity guidelines for the requirements of the project plan.*

### F.3. Project outcomes

*This information will be included in your grant agreement if your application is successful.*

Provide a summary of the expected project outcomes.

*Your response is limited to 5000 characters including spaces and does not support formatting.*

*What result do you anticipate in undertaking this project? Explain how this will help your organisation, referencing the objectives of the grant opportunity.*

## F.4. Project duration

*Your project must be completed in line with the dates provided in the grant opportunity guidelines.*

*The start and end dates you enter here will determine the financial years in the project budget.*

*The project length will be calculated by the start and end dates you enter.*

Estimated project start date

Estimated project end date

Estimated project duration (in months)

## F.5. Project milestones

Provide measurable milestones you will reach while undertaking your project. You may add up to 20 milestones.

*The milestone start and end dates must be within the project start and end dates.*

Milestone title

*Your response is limited to 100 characters including spaces and does not support formatting.*

Milestone description

*Your response is limited to 750 characters including spaces and does not support formatting.*

*Explain what you plan to achieve at this point in your project. Include details of key activities occurring by this stage.*

*If your project is successful, we will assess your progress according to agreed measurable milestones.*

Estimated start date

Estimated end date

## F.6. Project location

You must provide the address where your project will be undertaken and the estimated percentage of project value expected to be undertaken at that site. If you have multiple sites, you must add the address of each site.

Your project location must be located within a metropolitan, regional or journey enablement area as identified in the [EVCI Mapping Tool](#).

*A project location must be a street address. Do not provide a postal address, institution or building name. If you are applying for multiple sites, the total project expenditure of all sites should total the amount in your budget which you need to fill out in section H.*

For each project site, you must provide:

Project site address

Estimated percentage of project value expected to be undertaken at site

Zone (as per the [EVCI mapping tool](#))

Site type (e.g. dealership or EV repairer premises)

DRIVEN Charger Grants Stream application requirements

Total project expenditure per site  
Charging bays per site

## G. Project partners

---

Provide details about all project partners.

*For details about project partners and their contributions refer to the grant opportunity guidelines.*

If a project partner is a trustee applying on behalf of a trust we will need details of both the trust and trustee.

You must provide:

Australian Business Number (ABN) where applicable

Other registration number where applicable

Business address

Postal address

Contact details

Project partner letter of support attached.

*Details required in the letter of support are outlined in the grant opportunity guidelines.*

## H. Project budget

### H.1. Eligible expenditure

Enter grant amount sought below. We will add GST to this where applicable.

Provide a summary of your eligible project expenditure over the life of the project.

- Registered for GST - enter amounts exclusive of GST.
- Not registered for GST – enter amounts inclusive of GST.

We only provide grant funding based on eligible expenditure. Refer to the guidelines for guidance on eligible expenditure.

The financial years displayed are determined by your project start and end dates. You should confirm the project duration before providing your eligible expenditure.

You must attach a detailed project budget later in the application form. Refer to the grant opportunity guidelines for the requirements of the budget.

## H.2. Grant amount sought

*The maximum grant amount is \$8,000,000.*

Enter grant amount sought \$

### H.3. Contributions

*Successful applicants are required to contribute towards the grant activities. The grant amount will be dependent on the zone in which the proposed charging stations are located, up to 80 per cent of total eligible project expenditure. These zones are based on the [EVCI Mapping Tool](#) current at the time of your application.*

*The level of grant funding support available under the DRIVEN Charger Grant Stream is:  
for metropolitan zones: up to 50 per cent of eligible expenditure per charging station  
for regional and journey enablement zones: up to 80 per cent of eligible expenditure per charging station.*

*You must provide a description for all contributions. You should detail whether your contribution is sourced from cash flow, loans, equity etc. Contributions to your project must be cash.*

You will need to provide the following information for all other sources of funding

- Name of contributor
- Type of contributor

*Contributors are divided into the following types*

- *Your contribution*
- *Other non-Commonwealth government grants*
- *Other non-government contribution*
- *Other Commonwealth governments grants*
- Type of contribution
  - *Cash*
- Value of contribution
- Due date of contribution
- Description

*You may need to provide details around whether your contribution is sourced from bank loans, equity or cash flow etc.*

*Where you are receiving other non-Commonwealth government funding you will need to provide details.*

## I. Assessment criteria

---

We will assess your application based on the weighting given to each criterion and against the indicators listed beneath each criterion. We will only consider funding applications that score at least 50 per cent against each criterion as these represent best value for money.

The amount of detail and supporting evidence you provide should be commensurate with the project size, complexity and grant amount requested. You should define, quantify and provide evidence to support your answers.

### I.1. Assessment criterion 1 (20 points)

*Your response is limited to 5000 characters including spaces and does not support formatting.*

#### Organisational Capability and Capacity to Deliver the Project

You should demonstrate this through detailing your (or any subcontractors you propose to engage for the project):

- a. experience delivering similar infrastructure or capital works projects, including:
  - planning and design of infrastructure
  - installation of infrastructure and engineering works
  - managing electricity distribution grid connection approval processes
  - managing site operations
  - financial and risk management
  - coordinating infrastructure builds across multiple sites.
- b. experience in maintaining charging stations or infrastructure projects of a similar nature
- c. access to personnel with relevant skills and experience in project delivery.

### I.2. Assessment criterion 2 (30 points)

*Your response is limited to 5000 characters including spaces and does not support formatting.*

#### Charging station design and project delivery

You should demonstrate this by addressing the following points:

- a. details of the charging station(s) to be delivered, including the address(es) at which it will be installed
- b. how you will collaborate with and support the site host(s) for the life of the project. This should include an outline of the incentives or benefits to the automotive business(es) that will host the charging station(s)
- c. site concepts or designs which demonstrate the delivery of the project will meet the requirements as set out in Appendix C, which includes compliance with the [Minimum Operating Standards \(MoS\) for government-funded public charging stations](#). This may

- include information such as customer amenities, overflow parking or weather protection.
- d. status of network connections e.g. evidence of initial connection enquiry lodged for each site
  - e. how you will manage delivery of the construction and capital works for your project, including proposed timeframes for charging stations to become operational
  - f. how you will manage ongoing operation of the proposed charging stations, including ongoing customer support and operations and maintenance
  - g. how you will manage your project budget and a breakdown of contingencies built in for each project component;
  - h. how you will manage risk, including a risk assessment and proposed risk-mitigation strategies
  - i. an itemisation of the grant funding sought, with total amounts per each financial year of the proposed project
  - j. a list of any subcontractors that the grantee proposes to engage to deliver the project.

### **I.3. Assessment criterion 3 (30 points)**

*Your response is limited to 5000 characters including spaces and does not support formatting.*

#### **Proposed charging station location**

You must demonstrate the collective impact, value and viability of your proposed charging station(s) by detailing:

- a. the geographic spread and diversity of the proposed charging stations(s), and the extent to which your project includes charging stations located across metro, regional, and journey enablement zones, as identified in the [EVCI Mapping Tool](#)
- b. how the proposed charging stations support the rollout in regional and journey enablement zones and contribute to national coverage of the public fast charging network
- c. how these station(s) improve public amenity, meets local public charging demand and provides a collective benefit to surrounding businesses.
- d. the planning zones, overlays and related information pertaining to each site
- e. the justification and rationale behind selecting sites, and the comparative strengths and features of each proposed site (as set out in Appendix D)
- f. level of support, permission and certainty that has been given to occupy, build and operate on the site(s) for at least 5 years (letter of support, evidence of tenure or ownership etc.)

## **I.4. Assessment criterion 4 (20 points)**

*Your response is limited to 5000 characters including spaces and does not support formatting.*

### **Cost and value for money offered by the project**

You must demonstrate value for money by detailing the:

- a. cost to kW (charging capacity) to be delivered per charging station and total minimum charging capacity to be delivered across all charging stations
- b. rationale for the number of charging bays at each charging station
- c. grant funding requested compared to the total project value
- d. expected return on investment for the project including revenue projections, maintenance costs and customer support.

## L. Declaration

---

In order to submit your application you will be required to agree to the following declaration.

### L.1. Privacy and confidentiality provisions

I acknowledge that this is an Australian Government program and that the Department of Industry, Science and Resources (the department) will use the information I provide in accordance with the following:

[Australian Government Data and Digital Strategy](#)

[Commonwealth Grants Rules and Principles](#)

grant opportunity guidelines

applicable Australian laws.

Accordingly, I understand that the department may collect, use and share my personal information provided in this application within this department and other government agencies:

- a. for purposes directly related to administering the program, including governance, research and the distribution of funds to successful applicants
- b. to facilitate research, assessment, monitoring and analysis of other programs and activities
- c. for the purposes of due diligence, preventing, detecting, investigating or dealing with suspected fraud in grant applications and related processes

unless otherwise prohibited by law

I understand that where I am successful in obtaining a grant, the financial information that I provide for the purposes of payment will be accessible to departmental staff to enable payments to be made through the department's accounts payable software system.

I understand that information that is deemed 'confidential' in accordance with the grant opportunity guidelines may also be shared for a relevant Commonwealth purpose.

The department will publish information on individual grants in the public domain, including on the department's website, unless otherwise prohibited by law.

### L.2. Applicant declaration

I declare that I have read and understood the grant opportunity guidelines, including the grant agreement, privacy, confidentiality and disclosure provisions.

I declare that the proposed project outlined in this application and any associated expenditure has been endorsed by the applicant's board/ management committee or person with authority to commit the applicant to this project.

I declare that the applicant will comply with, and require that its subcontractors and independent contractors comply with, all applicable laws.

I declare that the applicant and any project partners are not listed on the [National Redress Scheme](#) list of institutions, where sexual abuse has occurred, that have not joined or signified their intent to join the Scheme.

DRIVEN Charger Grants Stream application requirements

I declare that the applicant is not named by the [Workplace Gender Equality Agency](#) as an organisation that has not complied with the *Workplace Gender Equality Act 2012*.

I confirm that the applicant, project partners and associated activities are in compliance with current [Australian Government sanctions](#).

I declare that the information contained in this application together with any statement provided is, to the best of my knowledge, accurate, complete and not misleading and that I understand that giving of false or misleading information is a serious offence under the *Criminal Code Act 1995* (Cth).

I acknowledge that I may be requested to provide further clarification or documentation to verify the information supplied in this form and that the department may, during the application process, consult with other government agencies, including state and territory government agencies, about the applicant's claims and may also engage external technical or financial advisors to advise on information provided in the application.

I agree to participate in the periodic evaluation of the services undertaken by the department.

I approve the information in this application being communicated to the department in electronic form.

I acknowledge that if the department is satisfied that any statement made in an application is incorrect, incomplete, false or misleading the department may, at its absolute discretion, take appropriate action. I note such action may include excluding an application from further consideration; withdrawing an offer of funding; using the information contained in the application for a fraud investigation that would be consistent with the Australian Government's Investigations Standards and Commonwealth Fraud Control Framework and/or for a grant under management, terminating a grant agreement between the Commonwealth and the grantee including recovering funds already paid.
