## Appendix 3

### Independent audit report

#### Background

These templates assist Grantees (and their auditors) to understand the audit requirements under a Commonwealth grant agreement administered by the Department of Industry, Science, Energy and Resources. For further information contact us on 13 28 46 or at [business.gov.au](http://business.gov.au).

When an independent audit report is required under our grant agreements the Grantee must provide us with:

- a statement of grant income and expenditure against the expenditure categories under the grant agreement (attachment A)
- an independent audit report on the statement of grant income and expenditure (attachment B)
- certification of certain matters by the auditor (attachment C).

You can find additional information on the grant opportunity relevant to your grant at [business.gov.au](http://business.gov.au) or by calling us on 13 28 46.

#### Eligible expenditure

Advice on eligible expenditure for projects under the grant opportunity can be found in grant opportunity guidelines. These guidelines are revised from time to time and therefore more than one version of the document may exist. The relevant guidelines are those that were effective at the time the Grantee's application was accepted.

It is essential that Grantees and their auditors understand the eligible expenditure requirements because these determine whether, and the extent to which, certain costs are reportable and claimable.

The amount of grant funding we approve is based on the Grantee's estimated eligible expenditure, as provided in their application. However, the grant funding any Grantee is ultimately entitled to receive is determined against actual eligible expenditure incurred and paid for on the project. The grant amount specified in the grant agreement is the **maximum** amount the Grantee may be paid.

The expenditure reported in the 'statement of grant income and expenditure' at attachment A must represent actual 'eligible expenditure' paid on the project during that period.

## Attachment B - Independent audit report

### Background for auditors

The purpose of the independent audit report is to provide us with an auditor's opinion on the Grantee's statement of grant income and expenditure. The statement of grant income and expenditure is prepared by the Grantee to correspond with the expenditure reported to the department by the Grantee for the same period, in the process of claiming grant payments.

The independent audit report must be prepared by a person who is an approved auditor.

An approved auditor is a person who is:

- a. registered as a company auditor under the *Corporations Act 2001* or an appropriately qualified member of Chartered Accountants Australia and New Zealand, or of CPA Australia or the Institute of Public Accountants; and
- b. not a principal, member, shareholder, officer, agent, subcontractor or employee of the Grantee or of a related body corporate or a Connected Entity.

The audit should be undertaken and reported in accordance with Australian Auditing Standards.

The independent audit report must follow the required format and include any qualification regarding the matters on which the auditor provides an opinion. We may follow up any qualifications with the Grantee or auditor. The independent audit report must be submitted on the auditor's letterhead.

Auditors must comply with the professional requirements of Chartered Accountants Australia and New Zealand, CPA Australia and the Institute of Public Accountants in the conduct of their audit.

If the auditor forms an opinion that the statement of grant income and expenditure does not give a true and fair view of the eligible expenditure for the period, the independent audit report should be qualified and the error quantified in the qualification section of the independent audit report.

The required independent audit report format follows.

## Auditor's report

Independent audit report in relation to [Grantee name]'s statement of grant income and expenditure to the Commonwealth, represented by the Department of Industry, Science, Energy and Resources (the department).

We have audited:

- a. the accompanying statement of grant income and expenditure of [Grantee name] for the period [dd/mm/yyyy] to [dd/mm/yyyy], a summary of significant accounting policies and other explanatory information, and management's attestation statement thereon (together "the financial statement"). The financial statement has been prepared by management using the cash basis of accounting described in note 3.2 to the financial statement; and
- b. [Grantee name]'s compliance with the terms of the grant agreement between [Grantee name] and the Commonwealth dated [date of agreement] for the period [dd/mm/yyyy] to [dd/mm/yyyy] (the grant agreement).

We have:

- a. reviewed [Grantee name]'s statement of labour costs in support of its claim of eligible expenditure; and
- b. performed limited assurance procedures on [Grantee name]'s statement of employee numbers under the grant agreement].

### *Management's responsibility*

Management is responsible for:

- a. the preparation and fair presentation of the financial statement in accordance with the basis of accounting described in note 3.2, this includes determining that the cash basis of accounting is an acceptable basis for the preparation of the financial statement in accordance with the grant agreement;
- b. compliance with the terms of the grant agreement;
- c. the preparation of the statement of employee numbers and labour costs in support of eligible expenditure; and
- d. such internal control as management determines is necessary to:
  - i. enable the preparation of the financial statement and the statement of [employee numbers and ]labour costs that are free from material misstatement, whether due to fraud or error; and
  - ii. enable compliance with the terms of the grant agreement.

### *Auditor's responsibility*

Our responsibilities are:

- a. To express an opinion, based on our audit, on:
  - i. the financial statement; and
  - ii. [Grantee name]'s compliance, in all material respects, with the terms of the grant agreement; and

- b. To conclude based on:
  - i our review procedures, on the statement of labour costs; and
  - ii our limited assurance procedures on the statement of employee numbers.

We conducted our audit of the financial statement in accordance with Australian Auditing Standards; our audit of compliance with the grant agreement in accordance with ASAE 3100, our review of the statement of labour costs in accordance with ASRE 2405; and our limited assurance procedures on employee numbers in accordance with ASAE 3000]. The applicable Standards require that we comply with relevant ethical requirements and plan and perform our work to:

- a. obtain reasonable assurance about whether the financial statement is free from material misstatement and that [Grantee name] has complied, in all material respects, with the terms of the grant agreement; and
- b. obtain limited assurance as to whether anything has come to our attention that causes us to believe that the statements of employee numbers and labour costs are materially misstated.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statement and about the Grantee's compliance with the grant agreement. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statement, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Grantee's preparation and fair presentation of the financial statement, and to the Grantee's compliance with the grant agreement, in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Grantee's internal control. An audit also includes evaluating the appropriateness of accounting policies used by management, as well as evaluating the overall presentation of the financial statement.

A review consists of making enquiries and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion on the statement of labour costs.

A limited assurance engagement undertaken in respect of the statement of employee numbers, in accordance with ASAE 3000 involves [level of detail about procedures to be determined by the auditor]. The procedures performed in a limited assurance engagement vary in nature and timing from, and are less in extent than for, a reasonable assurance engagement; and consequently, the level of assurance obtained in a limited assurance engagement is substantially lower than the assurance that would have been obtained had a reasonable assurance engagement been performed.

We believe that the evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion, review and limited assurance conclusions.

### *Opinion*

In our opinion:

- a. the financial statement presents fairly, in all material respects, the grant income and expenditure of [Grantee name] for the period [dd/mm/yyyy] to [dd/mm/yyyy] in accordance with the cash basis of accounting described in note 3.2 and the terms of the grant agreement, dated [date of agreement], with the Commonwealth; and

- b. [Grantee name] has complied, in all material respects, with the requirements of the grant agreement between the organisation and the Commonwealth dated [date of agreement], for the period [dd/mm/yyyy] to [dd/mm/yyyy].

*Basis of Accounting and Restriction on Distribution*

Without modifying our opinion, we draw attention to note 3.2 to the financial statement, which describes the basis of accounting. The financial statement is prepared to provide information to the department in accordance with the grant agreement, dated [date of agreement]. As a result, the financial statement may not be suitable for another purpose.

*Use of Report*

This report has been prepared for [Grantee name] and the department in accordance with the requirements of the grant agreement between [Grantee name] and the Commonwealth, dated [date of agreement]. We disclaim any assumption of responsibility for any reliance on this report to any persons or users other than [Grantee name] and the department, or for any purpose other than that for which it was prepared.

*Conclusions*

Based on:

- a. Our review, which is not an audit, nothing has come to our attention that causes us to believe that the statement of labour costs in the period [dd/mm/yyyy] to [dd/mm/yyyy] is not, in all material respects, fairly presented in accordance with the grant agreement dated [date of agreement] with the Commonwealth; and
- b. The procedures we have performed and the evidence we have obtained, nothing has come to our attention that causes us to believe that the statement of employee numbers as at [dd/mm/yyyy] is not prepared, in all material respects, in accordance with the grant agreement dated [date of agreement] with the Commonwealth].
