

Project Partner Letter of Support

You may use the following page as a template letter if you are a project partner confirming your support for the Citizen Science Grants Round 2 project as one of the collaborators. You should provide this letter of support on your organisation letterhead and must be signed by someone with the authority to commit your organisation to the project (e.g. CEO).

For details on the letter of support, refer to **Section 7.1** of the Citizen Science Grants Round 2 grant opportunity guidelines (the guidelines).

You must ensure only eligible expenditure is included in your contributions, refer to **Section 5** and **Appendix A** of the guidelines.

Note: Both cash and/or in-kind contributions must be eligible expenditure contributions under **Section 5** of the guidelines. Ineligible expenditure items (for example, costs incurred prior to project approval and infrastructure related expenses) as detailed in **Appendix B** of the guidelines will not be accepted

This letter should be uploaded onto our portal as part of the application.
