Sample application form

Medical Research Future Fund – Frontier Health and Medical Research Initiative

2022 Frontier Health and Medical Research Grant

Full Application

Version November 2022

This document shows the questions included in the online application form for this grant opportunity. It will help you prepare your responses and the mandatory attachments you need before you apply online.

Instructions

The online form captures the information required by the department to assess and manage your application for services and funding.

The first page of the application page contains the following instructions.

Completing your application

The application consists of separate pages as shown in the navigation menu on the left hand side of the portal page. You can navigate between pages using the menu or the buttons at the bottom of each page.

A red asterisk * indicates a mandatory question. A warning message may appear if you have not completed all of the mandatory questions or if there is an issue with information you have entered.

Saving your responses

You can save your changes at any time by using the Save button.

To prevent you losing your work you should save often. The portal will time out after 30 minutes if you do not save. Typing or moving your mouse does not reset the time out.

You must use the Save and Continue button to validate the information on each page. If you use the menu to navigate between pages, you will be prompted on the final page to go back and validate all of the information you have entered. A green tick indicates a validated page.

You can modify saved responses up until you submit your application.

Participants

You may invite others to assist in completing your application via the application summary page. To do this:

- Select the Participants button
- Enter the details

An email will be sent to the participant inviting them to assist with your application.

Submitting your application

You must complete every page of the application before you can submit.

You must also read and agree to the declaration which advises you of your responsibilities.

Check all your answers before you submit your application. After you submit, it will no longer be editable.

Internet browsers supported by the portal

We recommend that you use the following browsers for optimum functionality:

- On Windows: The latest versions of Mozilla Firefox, Google Chrome and Microsoft Edge
- On Mac: The latest versions of Safari and Google Chrome

Getting help

If you require further assistance completing this form, [contact us](#) by email or web chat or on 13 28 46.

A. Program selection

Before you start your application, we need to first identify what type of entity is applying.

If you are a trustee applying on behalf of a trust we will need details of both the trust and trustee.

Before you start you should have the following details ready if they are applicable to you.

- Australian Business Number (ABN); or
- Australian Company Number (ACN).

A.1. Program selection

You have been invited to apply to the MRFF 2022 Frontier Health and Medical Research grant program.

When you selected the apply hyperlink the page will populate your organisation details and the program you have been invited to apply to.

- Field 1 select – MRFF 2022 Frontier Health and Medical Research Application
- Field 2 select - MRFF 2022 Frontier Health and Medical Research Application

If all details are correct select continue at the bottom of the page.

You should read the [grant opportunity guidelines](#) and [sample grant agreement](#) before filling out this application. We recommend you keep the guidelines open as you are completing your application so you can refer to them when providing your responses.

You will be notified if your EOI has been successful and be invited to apply to submit a full application.

B. Eligibility

We will ask you the following questions to establish your eligibility for the MRFF 2022 Frontier Health and Medical Research grant opportunity.

Does your research project align with your expression of interest? *

Yes or No

Does your proposed research duplicate research previously or currently being undertaken in Australia? *

Yes or No

If no

You can proceed to the next section.

Do you have evidence from your board (or chief executive officer or equivalent if there is no board) that the project is supported, and that you can complete the project and meet the costs of the project not covered by grant funding? *

Yes or No

If yes

You can proceed to the next section.

C. Applicant address

C.1. Applicant street address

You must provide your street address

When you start typing the address in the field you can select the correct one from the drop down list that appears. If it is not there you can enter manually.

C.2. Applicant postal address

You must provide your postal address

When you start typing the address in the field you can select the correct one from the drop down list that appears. If it is not there you can enter manually.

E. Project information

On this page you must provide the detailed information about your proposed project.

If your application is successful, we will publish some grant details on [GrantConnect](#) and other government publications. Published details include:

- *name of the grant recipient*
- *a project title*
- *a brief project description and its intended outcome*
- *amount of grant funding awarded.*

E.1. Project title and description

Provide a project title.

Your response is limited to 75 characters including spaces and does not support formatting.

Provide a brief project description.

Your response is limited to 750 characters including spaces and does not support formatting.

Ensure your project description focuses on your key activities and outcomes for this project (i.e. maximum five years), within your overall program of research.

E.2. Detailed project description and key activities

This information will be included in your grant agreement if your application is successful.

Provide a detailed description of your project including the project scope and key activities.

Your response is limited to 5000 characters including spaces and does not support formatting.

E.3. Project outcomes

This information will be included in your grant agreement if your application is successful.

Provide a summary of the expected project outcomes.

Your response is limited to 5000 characters including spaces and does not support formatting.

E.4. Chief Investigators

Details of all members of the research team (Chief Investigators) must be submitted as part of the Expression of Interest.

You must nominate a Chief Investigator A (CIA), that will take the lead role in completing the application, conducting the project and report on project outcomes.

You must use the mandatory excel template available on [business.gov.au](#) to list up to 15 Chief Investigators (including identified CIA), who have shared authority and responsibility for leading and directing the design, conduct and reporting of the proposed project, including the affiliations of each person listed.

If you include more than 15 team members, your application will be deemed ineligible.

You will also be asked to attach CVs for each investigator later in the form.

Have you confirmed that no member of your research team (including CIA) is named on any other active expression of interest or full application being considered for funding under this grant opportunity? *

If they are identified in another active EO/full application, both applications will be deemed ineligible.

G. Assessment criteria

Applications will be assessed against the assessment criteria described below. You must address all relevant assessment criteria in your application. We will assess your application based on the weighting given to each technical criterion and against the non-weighted (non-technical) assessment criterion.

The full application form requests information that directly relates to the assessment criteria below. The amount of detail and supporting evidence you provide in your application should be relative to the project size, complexity and grant amount requested. You should provide evidence to support your responses to each criterion.

To support your responses you must include mandatory attachments later in the application.

Assessment criterion 3 (40 % weighting)

Your response is limited to 10,000 characters including spaces and does not support formatting.

Project Impact

This criterion measures the potential impact of the 10 year program of research. You should:

- a. describe how the proposed solution has the potential to lead to significant and measurable improvements in outcomes for patients, their families and carers, the health system, and the economy
- b. articulate how the proposed program of research will provide an innovative technological solution to a major unmet clinical need that could be applied nationally or internationally within the next 10 years and become 'best practice'
- c. demonstrate how the views and values of consumers, the community, health providers and/or other end users have informed the proposed research, including how the needs and priorities of consumers (particularly those with lived experience and their carers) have informed the research question
- d. describe how the anticipated outputs will contribute to meaningful advances in health outcomes, practice and/or policy for priority populations and therefore reduce inequalities in health outcomes
- e. clearly articulate the identified place in the market and/or clinical practice for the proposed solution, including consideration of clinical and regulatory pathways and market access, where applicable.

You should also demonstrate how the outcomes or results you have identified against the MRFF Measures of Success are relevant and meaningful to the goal and aims of the Initiative.

G.1. Assessment criterion 4 (30 % weighting)

Your response is limited to 10,000 characters including spaces and does not support formatting.

Project methodology

This criterion measures the progress of the program of research towards implementation after up to five years of funding for the proposed project. You should demonstrate this by:

- a. providing a project plan that includes:
 - i. a description of the activities you will undertake
 - ii. a description of how the proposed solution draws ideas and concepts from multiple disciplines to create new strategies, methods, approaches and/or tools
 - iii. appropriate milestones, performance indicators and timeframes for delivery that will be used to inform ongoing disbursement of grant funds
 - iv. the governance structures required to successfully deliver the project
 - v. a description of how consumers and other end users will be involved in the proposed research, including their contributions throughout the life of the project
- b. providing a project feasibility analysis.

G.2. Assessment criterion 5 (30 % weighting)

Your response is limited to 10,000 characters including spaces and does not support formatting.

Capacity, capability and resources to deliver the project

You should demonstrate this by providing details of:

- a. your proposed research team, with proposed key project personnel and their skills and experience clearly articulated
- b. your team's track record in managing similar projects, including experience in involving consumers and managing large interdisciplinary or multidisciplinary projects
- c. your access, or future access, to any required infrastructure, land, capital equipment, technology, and regulatory or other approvals
- d. how any infrastructure funded through this project will be maintained beyond the life of the grant opportunity.

G.3. Assessment criterion 6 (non weighted)

Your response is limited to 10,000 characters including spaces and does not support formatting.

Overall Value and Risk of the Project

Your application should demonstrate the overall value and risk of the project, including that you have robust risk identification and management processes. This should include consideration of risks related to COVID-19 restrictions.

You should provide:

- your Measures of Success statement
- your proposed budget and justification
- a risk management plan.

Applications must clearly justify the requested duration and budget and how they will support the proposed outcomes of the research.

Our assessment will also take into consideration:

- the outcomes of the scientific review and due diligence report of your full application and your presentation to the Committee
- the relative contribution of the outcomes or results you have identified against the MRFF Measures of Success to the goal and aims of the Initiative
- the suitability of your proposed budget to complete all project activities
- how well the requested budget has been detailed and justified
- the value and type of any partner contributions to your project
- how soundly your risk management approach is demonstrated
- any risks identified as part of the assessment of your full application
- the appropriateness of the submitted risk management plan in documenting key risks to the completion of the project, including your plan to manage those identified risks
- how you propose to monitor and report risks (both those identified in your submitted risk management plan and those which may arise during your project).

L. Application declaration

In order to submit your application you will be required to agree to the following declaration.

L.1. Privacy and confidentiality provisions

I acknowledge that this is an Australian Government program and that the Department of Industry, Science and Resources (the department) will use the information I provide in accordance with the following:

- [Australian Government Public Data Policy Statement](#)
- [Commonwealth Grants Rules and Guidelines](#)
- grant opportunity guidelines
- applicable Australian laws.

Accordingly, I understand that the department may share my personal information provided in this application within this department and other government agencies:

- a. for purposes directly related to administering the program, including governance, research and the distribution of funds to successful applicants
- b. to facilitate research, assessment, monitoring and analysis of other programs and activities unless otherwise prohibited by law.

I understand that where I am successful in obtaining a grant, the financial information that I provide for the purposes of payment will be accessible to departmental staff to enable payments to be made through the department's accounts payable software system.

I understand that information that is deemed 'confidential' in accordance with the grant opportunity guidelines may also be shared for a relevant Commonwealth purpose.

The department will publish information on individual grants in the public domain, including on the department's website, unless otherwise prohibited by law.

L.2. Applicant declaration

I declare that I have read and understood the grant opportunity guidelines, including the grant agreement, privacy, confidentiality and disclosure provisions.

I declare that the proposed project outlined in this application and any associated expenditure has been endorsed by the applicant's board/ management committee or person with authority to commit the applicant to this project.

I declare that the applicant will comply with, and require that its subcontractors and independent contractors comply with, all applicable laws.

I declare that the applicant and any project partners are not listed on the [National Redress Scheme](#) list of institutions, where sexual abuse has occurred, that have not joined or signified their intent to join the Scheme.

I declare that the applicant is not named by the [Workplace Gender Equality Agency](#) as an organisation that has not complied with the *Workplace Gender Equality Act 2012*.

I confirm that the applicant, project partners and associated activities are in compliance with current [Australian Government sanctions](#).

I declare that the information contained in this application together with any statement provided is, to the best of my knowledge, accurate, complete and not misleading and that I understand that giving of false or misleading information is a serious offence under the *Criminal Code Act 1995* (Cth).

I acknowledge that I may be requested to provide further clarification or documentation to verify the information supplied in this form and that the department may, during the application process, consult with other government agencies, including state and territory government agencies, about the applicant's claims and may also engage external technical or financial advisors to advise on information provided in the application.

I agree to participate in the periodic evaluation of the services undertaken by the department.

I approve the information in this application being communicated to the department in electronic form.

I understand that the applicant is responsible for ensuring that it has met relevant state or territory legislation obligations related to working with children, and that any person that has direct, unsupervised contact with children as part of a project under this [program/grant opportunity], has undertaken and passed, a working with children check, if required under relevant state or territory legislation. The applicant is also responsible for assessing the suitability of people I engage in this project to ensure children are kept safe.

I acknowledge that if the department is satisfied that any statement made in an application is incorrect, incomplete, false or misleading the department may, at its absolute discretion, take appropriate action. I note such action may include excluding an application from further consideration; withdrawing an offer of funding; using the information contained in the application for a fraud investigation that would be consistent with the Australian Government's Investigations Standards and Commonwealth Fraud Control Framework and/or for a grant under management, terminating a grant agreement between the Commonwealth and the grantee including recovering funds already paid.

I declare that I am authorised to submit this form on behalf of the applicant and acknowledge that this is the equivalent of signing this application.
