Sample application form

Inspiring Australia - Science Engagement Program National Science Week Grants 2024

Version July 2023

This document shows the questions included in the online application form for this grant opportunity. It will help you prepare your responses and the mandatory attachments you need before you apply online.

Instructions

The online form captures the information required by the department to assess and manage your application for services and funding.

The first page of the application page contains the following instructions.

Completing your application

The application consists of separate pages as shown in the navigation menu on the left hand side of the portal page. You can navigate between pages using the menu or the buttons at the bottom of each page.

A red asterisk * indicates a mandatory question. A warning message may appear if you have not completed all of the mandatory questions or if there is an issue with information you have entered.

Saving your responses

You can save your changes at any time by using the Save button.

To prevent you losing your work you should save often. The portal will time out after 30 minutes if you do not save. Typing or moving your mouse does not reset the time out.

You must use the Save and Continue button to validate the information on each page. If you use the menu to navigate between pages, you will be prompted on the final page to go back and validate all of the information you have entered. A green tick indicates a validated page.

You can modify saved responses up until you submit your application.

Participants

You may invite others to assist in completing your application via the application summary page. To do this:

- Select the Participants button
- Enter the details

An email will be sent to the participant inviting them to assist with your application.

Submitting your application

You must complete every page of the application before you can submit.

You must also read and agree to the declaration which advises you of your responsibilities.

Check all your answers before you submit your application. After you submit, it will no longer be editable.

Internet browsers supported by the portal

We recommend that you use the following browsers for optimum functionality:

- On Windows: The latest versions of Mozilla Firefox, Google Chrome and Microsoft Edge
- On Mac: The latest versions of Safari and Google Chrome

Getting help

If you require further assistance completing this form, [contact us](#) by email or web chat or on 13 28 46.

A. Program selection

Before you start your application, we need to first identify what type of entity is applying.

If you are a trustee applying on behalf of a trust we will need details of both the trust and trustee.

- To be eligible you must have an Australian Business Number (ABN), or
- be an individual 18 years of age or older.

If you do not have an ABN we will ask you why you do not have one. You should note the following.

If you are entitled to an ABN and do not provide it to us, we will be required to withhold 47 per cent from any grant awarded. If you intend to apply for an ABN you should do so before starting your application as you cannot update these details in the application form. If you apply for an ABN after you start your application you will need to start again.

A.1. Program selection

You must select from a drop-down menu the program that you are applying for. If you have been provided with an Invitation code, you will be able to enter it here which will select the program for you.

- Field 1 select - National Science Week Grants 2024
- Field 2 select - National Science Week Grants 2024

When you have selected the program, the following text will appear.

The grant opportunity was announced as part of the Inspiring Australia – Science Engagement Program. The Australian Government has announced a total of \$7.23 million per year in ongoing funding for the program.

For National Science Week 2024 grants, up to \$500,000 is available over one year.

The objectives of the program are to:

- inspire wide community participation in STEM
- provide an opportunity to acknowledge and celebrate the contributions of Australian scientists to the world of knowledge
- encourage an interest in science pursuits among the general public
- encourage younger people to become fascinated by the world we live in
- encourage new and innovative ways of engaging with audiences.

The maximum grant amount is \$20,000 and the minimum is \$2,000.

You should read the [grant opportunity guidelines](#) and [sample grant agreements](#) before filling out this application. We recommend you keep the guidelines open as you are completing your application so you can refer to them when providing your responses.

You may submit your application at any time up until 5.00pm AEDT on 11 December 2023. Please take account of time zone differences when submitting your application.

B. Eligibility

We will ask you the following questions to establish your eligibility for the National Science Week Grants 2024 grant opportunity.

Questions marked with an asterisk are mandatory.

You must select one of the eligible options from a drop down menu to proceed to next question.

- Is your organisation a non-corporate Commonwealth entity (unless you are a publicly funded research organisation, as defined under Commonwealth Grant Rules and Guidelines (CGRGs) in Section 14 of the grant opportunity guidelines)?*

You must answer no to proceed to the next question.

You must not be a non-corporate Commonwealth entity unless you are publicly funded research organisation to be eligible for this grant opportunity.

- Will you be undertaking science-related activities during National Science Week 2024 (10 to 18 August 2024), or in the week before or after?*

Eligible activity period: 3 August 2024 to 25 August 2024 inclusive.

You must answer yes to proceed to next question.

E. Project information

On this page you must provide the detailed information about your proposed project.

If your application is successful, we will publish some grant details on [GrantConnect](#) and other government publications. Published details include:

- *name of the grant recipient*
- *a project title*
- *a brief project description and its intended outcome*
- *amount of grant funding awarded.*

E.1. Project title and description

Provide a project title.

Your response is limited to 75 characters including spaces and does not support formatting.

Provide a brief project description for publication.

Your response is limited to 750 characters including spaces and does not support formatting.

Ensure your project description focuses on your project's key activities and outcomes. Outline what it is you are going to do and how it will meet National Science Week objectives and outcomes.

E.2. Detailed project description and key activities

This information will be included in your grant agreement if your application is successful.

Provide a detailed description of your project including the project scope and key activities.

Your response is limited to 5000 characters including spaces and does not support formatting.

E.3. Project outcomes

This information will be included in your grant agreement if your application is successful.

Provide a summary of the expected project outcomes.

Your response is limited to 5000 characters including spaces and does not support formatting.

E.4. Project Event Details

Your project must be focussed on conducting eligible activities that take place during National Science Week 2024 (10 to 18 August 2024), or where appropriate, in the week before or after National Science Week 2024 (period between 3 August 2024 to 25 August 2024 inclusive).

- Planned Event start date
- Planned Event end date

E.5. Project duration

Your project must be focussed on conducting eligible activities that take place during National Science Week 2024 (10 to 18 August 2024), or where appropriate, in the week before or after National Science Week 2024 (from 3 August 2024 to 25 August 2024 inclusive). Your project

period will begin from the date your grant agreement is executed and will cease four weeks following the end of National Science Week 2024, unless otherwise agreed by the Program Delegate. Eligible expenditure cannot be incurred prior to grant agreement execution.

The project period is longer than the activity period to accommodate for any work required to prepare for your National Science Week 2024 activities and to allow you to finalise any payments following the completion of your activities. All National Science Week 2024 activities must be completed by the end of the week following National Science Week 2024.

- Earliest estimated project start date (1 April 2024)
- Estimated project end date (16 September 2024)
- Estimated project length

Your project can be no longer than 6 months.

E.6. Activity purpose and delivery

Select one or more from the below list which best represents how your project will meet the purposes for National Science Week 2024:

- draw the nation's attention towards the sciences
- spark broad interest and engagement in the sciences
- provide an opportunity for all Australians, including those historically under-represented in the sciences, to participate in science events and activities
- foster partnerships between the community, research organisations and industry
- trial new and innovative science communication activities

Select one or both of the delivery formats your project will engage

- an in-person event involving physical attendance
- an online event involving two-way audience participation or involvement

E.7. Project location

You must provide the address where your project will be undertaken and the estimated percentage of project value expected to be undertaken at that site. If your project will be delivered online, list your host location. If you have multiple sites you must add the address of each site.

A project site must be a street address. Do not provide a postal address, institution or building name.

- Project site address
- Estimated percentage of project value expected to be undertaken at site.

F. Project budget

F.1. Project budget summary

F.4. Contributions

You will need to provide the following information for all other sources of funding.

Are you receiving any other contributions in relation to the project?

If contributing additional sources of funding, provide details about what these are.

G. Assessment criteria

We will assess your application based on the weighting given to each criterion and against the indicators listed beneath each criterion. We will only consider funding applications that score at least 50 per cent against each criterion as these represent best value for money.

The amount of detail and supporting evidence you provide should be commensurate with the project size, complexity and grant amount requested. You should define, quantify and provide evidence to support your answers.

G.1. Assessment criterion 1 (60points)

Your response is limited to 5000 characters including spaces and does not support formatting.

The reach and impact of the project You should demonstrate this through identifying:

- a) the size and composition of your intended audience, including geographical reach and whether the project targets historically under-represented groups in the sciences
- b) the quality of your National Science Week project, including the likely impact and benefit of your activities on your intended audience, including any innovative approaches to engage your audience
- c) details of any proposed linkages with key cohorts (such as Aboriginal or Torres Strait Islander community groups or Traditional Owners).

G.2. Assessment criterion 2 (40points)

Your response is limited to 5000 characters including spaces and does not support formatting.

Your capacity, capability and resources to carry out the project You should demonstrate this through identifying:

- a) your ability to run this type of project, including access to personnel with the right skills and experience, and any similar events or projects you have run previously
- b) your access to appropriate venues, infrastructure, capital equipment, technology, and any required regulatory or other approvals
- c) why grant funding is necessary to deliver your project.

H. Project partners

You must provide details about your project partners.

A letter of support template can be found on business.gov.au.

You must provide

- Australian Business Number (ABN)
- Other registration number where applicable

L. Application declaration

In order to submit your application you will be required to agree to the following declaration.

L.1. Privacy and confidentiality provisions

I acknowledge that this is an Australian Government program and that the Department of Industry, Science and Resources (the department) will use the information I provide in accordance with the following:

- [Australian Government Public Data Policy Statement](#)
- [Commonwealth Grants Rules and Guidelines](#)
- grant opportunity guidelines
- applicable Australian laws.

Accordingly, I understand that the department may share my personal information provided in this application within this department and other government agencies:

- a. for purposes directly related to administering the program, including governance, research and the distribution of funds to successful applicants
- b. to facilitate research, assessment, monitoring and analysis of other programs and activities unless otherwise prohibited by law.

I understand that where I am successful in obtaining a grant, the financial information that I provide for the purposes of payment will be accessible to departmental staff to enable payments to be made through the department's accounts payable software system.

I understand that information that is deemed 'confidential' in accordance with the grant opportunity guidelines may also be shared for a relevant Commonwealth purpose.

The department will publish information on individual grants in the public domain, including on the department's website, unless otherwise prohibited by law.

L.2. Applicant declaration

I declare that I have read and understood the grant opportunity guidelines, including the grant agreement, privacy, confidentiality and disclosure provisions.

I declare that the proposed project outlined in this application and any associated expenditure has been endorsed by the applicant's board/ management committee or person with authority to commit the applicant to this project.

I declare that the applicant will comply with, and require that its subcontractors and independent contractors comply with, all applicable laws.

I declare that the applicant and any project partners are not listed on the [National Redress Scheme](#) list of institutions, where sexual abuse has occurred, that have not joined or signified their intent to join the Scheme.

I declare that the applicant is not named by the [Workplace Gender Equality Agency](#) as an organisation that has not complied with the *Workplace Gender Equality Act 2012*.

I confirm that the applicant, project partners and associated activities are in compliance with current [Australian Government sanctions](#).

I declare that the information contained in this application together with any statement provided is, to the best of my knowledge, accurate, complete and not misleading and that I understand that giving of false or misleading information is a serious offence under the *Criminal Code Act 1995* (Cth).

I acknowledge that I may be requested to provide further clarification or documentation to verify the information supplied in this form and that the department may, during the application process, consult with other government agencies, including state and territory government agencies, about the applicant's claims and may also engage external technical or financial advisors to advise on information provided in the application.

I agree to participate in the periodic evaluation of the services undertaken by the department.

I approve the information in this application being communicated to the department in electronic form.

I understand that the applicant is responsible for ensuring that it has met relevant state or territory legislation obligations related to working with children, and that any person that has direct, unsupervised contact with children as part of a project under this grant opportunity, has undertaken and passed, a working with children check, if required under relevant state or territory legislation. The applicant is also responsible for assessing the suitability of people I engage in this project to ensure children are kept safe.

I acknowledge that if the department is satisfied that any statement made in an application is incorrect, incomplete, false or misleading the department may, at its absolute discretion, take appropriate action. I note such action may include excluding an application from further consideration; withdrawing an offer of funding; using the information contained in the application for a fraud investigation that would be consistent with the Australian Government's Investigations Standards and Commonwealth Fraud Control Framework and/or for a grant under management, terminating a grant agreement between the Commonwealth and the grantee including recovering funds already paid.

I declare that I am authorised to submit this form on behalf of the applicant and acknowledge that this is the equivalent of signing this application.
