

Addenda 26/08/2024 – Thriving Suburbs Program

The Thriving Suburbs Program guidelines have been amended to clarify program processes. The following sections of the guidelines have been updated:

- Cover page to extend and amend closing date (to 2 September 2024)
- Cover page to indicate revised guidelines were released on 26 August 2024 (revision 3)
- Cover page to make minor spelling corrections
- Sections 1.1, 10, 11 and 12 to define steps successful applicants will undertake to enter funding agreements with relevant state or territory jurisdictions
- Section 1.1 and 3 to amend glossary reference
- Section 2 to include a link to the 2024 National Urban Policy
- Section 5.1 clarification of type of list of eligible expenditure/funding activities
- Section 5.2 clarification of type of list of eligible and ineligible expenditure
- Section 5.4 clarification of jurisdictions
- Section 7.1 to define advice on acceptance of links provided in the application, including advising that documents held in cloud storage applications or on applicant private servers will not be accepted
- Section 8.1 to define the process of assessing eligible funding activities and expenditure
- Section 13 to include acknowledgement requirements of successful applicants
- Section 14 to include probity provisions for the multi-party Parliamentary panel
- Section 15 to define Program Delegate and amend the definition of First Nations Community Controlled Organisations
- Appendix A clarification of list of examples of eligible activities and role of program delegate in determining eligible activities and expenditure
- Appendix B clarification of list of examples of ineligible activities.
- Appendix D to amend text regarding 'pre-construction activities'.
